NEWS RELEASE

ARCTURUS ENGAGES INVESTMENT BANK AS FINANCIAL ADVISOR

September 15, 2016 – Vancouver, British Columbia – Arcturus Growthstar Technologies Inc. (the “Company” or “Arcturus”) (CSE: AGS) (OTC Pink: AGSTF) is pleased to announce that it has engaged the services of a prestigious, boutique investment banker as a placement agent and financial advisor to the Company. The Bank is a full service retail and institutional broker-dealer which provides investment banking, venture capital/private placement, debt equity and advisory services and whose representatives have been involved in excess of \$50 Billion in capital market transactions.

“We are pleased to have the opportunity to work with such a well known institution,” says Mr. William Gildea, Arcturus Growthstar Technologies Inc.’s CEO and Chairman. “This Bank’s reputation for high quality service and its long-established interest in investing in technology will give Arcturus access to a multi-faceted banking strategy, which in turn will promote Arcturus’ position in the agri-tech industry.”

For further information, contact William Gildea, Director, at 617.834.9467.

On behalf of the Board,

Arcturus Growthstar Technologies Inc.

William Gildea, CEO & Chairman

About Arcturus

The Company’s business model includes developing and acquiring technologies that will position it as a leader in the evolution of Controlled Environment Agriculture (CEA) for the global production of various types of plants. Arcturus provides scalable, indoor CEA systems that utilize minimal land, water and energy regardless of climate, location or time of year and are customized to grow an abundance of crops close to consumers, therefore minimizing food miles and its impact to the environment. The Company holds an exclusive, worldwide license to use a patented vertical farming technology that, when compared to traditional plant production methods, generate yields up to 10 times greater per square foot of land. The contained system provides many other benefits including *seed to sale security, scalability, consistency due to year-round production, cost control, product safety and purity by eliminating environmental variability.*

The Company is also in the business of designing and distributing LED lighting solutions utilizing the COB and MCOB technology. The Company is focused on delivering cost efficient lighting to North America via advanced e-commerce sites the Company owns and operates. LEDCanada.com which caters to B2B customers is a supplier of the newest and highest demand LED solutions. The Company also owns and operates COBGrowlights.com which caters to both large and small agriculture green houses and controlled cultivation centers.
